

Licencing

An application for a premises licence may cost in the region of £650 plus vat and disbursements.

Licencing fees for new applications for rateable values between £4301 - £33000 is currently £190.

Our charges are based on an hourly rate and the fee earners who will be assisting with you on your matter are detailed below. The above price is based on the hourly charge out rates and the time we expect a standard case to take:

- Manoj Kumar Athi – Partner/Solicitor £200 per hour – 10 years experience
- Ravi Talwar – Solicitor - £180 per hour – qualified in 2019

A new premises licence application will take approximately 6 weeks to complete.

Services not included in the costs above
